Cape Point Tour Full Day

Highlights of a trip down to Cape Point include; one of the world’s most spectacular drives, Hout Bay, Chapman’s Peak, Noordhoek Beach, the Cape Point Nature Reserve, two lighthouses on the tip of Africa, Boulders Penguin Colony, Simonstown, Kalk Bay and the Kirstenbosch Botanical Gardens.

Seal Island Hout Bay

Trips departing from Hout Bay Harbour ferry passengers across to nearby Duiker Island – also known as Seal Island – where thousands of Cape Fur Seals can be seen in their natural habitat. The boat trip provides beautiful views of the bay, the harbour, The Sentinel and Chapman’s Peak.

Cape Point Funicular

The Flying Dutchman funicular takes visitors at Cape Point up to the lighthouse, where there is an outstanding view of the point and ocean. The funicular is named after a ghost ship whose destiny it is to sail the oceans forever. More information can be found at the museum.

Boulders Beach

Boulders Beach in Simon's Town is ideal for kids as immense boulders shelter the cove from currents and large waves - but please always take care. It is a rare pleasure to swim with the penguins but don't touch or feed them. They might look cute and cuddly but their beaks are as sharp as razors and if they feel threatened they have no qualms about nipping the odd finger or nose.

Cape Point

Cape Point is a spectacular sight, covered in endemic fynbos and home to breathtaking bays, beaches and rolling green hills and valleys, just 60km outside of Cape Town. Cape Point falls within the Cape Floral Region, a World Heritage Site. The Cape Floral Region is one of the richest areas for plants in the world – it is home to nearly 20% of Africa's flora. Cape Point is open daily and is a must-see.
